Inspiring Keynotes, Training Workshops  
and Resources to Help You Succeed

## Michael Kerr Delivers Proven Results

### Why choose between fun and relevant content when you can have both?

“ Inspiring... relevant... energizing... hilarious... thought-provoking... immediately applicable... ”

This is how Michael Kerr's clients describe his dynamic presentations, which are frequently rated as the most impactful and relevant of any session presented at an event.

Michael is listed as one of Canada's most in-demand speakers. He is a Certified Speaking Professional (CSP), best-selling author, and one of only 22 speakers to be inducted into the Canadian Speakers' Hall of Fame.

Building on his experience as a "recovering senior manager," Michael travels the world researching, writing, and speaking about what makes a great workplace, well... great! He is known as one of North America's leading authorities on how to create a more positive and inspiring workplace: the kind of workplace that drives phenomenal success.

### There's a Reason Clients Call Michael "The Workplace Energizer!"

Whether presenting a 90-minute keynote to 3,000 frontline employees or conducting a full-day, interactive training workshop to a dozen senior leaders, Michael's content is focused on improving results for you and your team. His goal is to deliver as much relevant content in as entertaining a style as possible... so the ideas stick. That's why Michael will work with you and your team to select the ideal blend of topics and messages for your group. And yes, you can "mix and match" from the presentations listed below:

### Michael's Presentations

“ Michael held the full attention of our senior management team for a FOUR hour presentation! I have encouraged my team to carry forward his fantastic management philosophy and have heard nothing but positive reviews from the senior management team. ## Keynote, Workshop... or Both?

Although Michael is one of Canada's most sought-after keynote speakers, he also presents interactive training workshops, so many clients book Michael for a follow-up session to help hammer home or build on the messages he introduced in his keynote presentation.

### Dynamic Keynotes

His irrepressible energy, clean humour, and relevant content make Michael one of the most in-demand conference keynoters in North America.

Many clients hire Michael to kick off their event with a bang, knowing that the energy he generates will last throughout the entire convention, whereas others hire Michael to close their conference so that everyone leaves feeling inspired and energized. Still others slot Michael somewhere in the middle as a way of shaking things up! Keynotes run anywhere from 45 to 90 minutes, depending on the topic and your scheduling needs.

And just to clarify (because we do get asked), although Michael is entertaining and very funny, he is not a comedian. Michael does speak at after-dinner events, but if you are looking for a speaker who is primarily an entertainer, Michael would be happy to recommend someone else.

### Interactive & Insightful Workshops

Clients often book Michael to present a follow-up breakout session after his keynote, or for longer half-day, full-day, or intensive two-day workshops. These interactive workshops allow for more in-depth conversations and greater impact, and typically run 3-4 hours for a half-day workshop; 6-8 hours for a full-day experience. By booking Michael for an additional presentation, you not only get much more value out of having Michael at your event, you'll save on the substantial cost of bringing in another speaker.

### What Questions Haven't We Answered?

We understand how difficult it is to find the right speaker for your event, so after reading this package please let us know what additional information you need to help you make the right decision.

Rest assured that Michael will be the first person to tell you if he does not think he's the best match for your needs. And because he is so heavily involved in the professional speaking industry, Michael would be happy to recommend other presenters who may be a better fit for your event, or those who might make a valuable contribution in addition to Michael.

“ Our participants rated you as the speaker with the highest quality and relevance. ”

~ Lana J. Larocque,  
Alberta Human Resources

“ Michael exceeded our expectations in every aspect. The program and tools fit our team extremely well. He was the star of our event. Michael has a great knack of aligning humour with the event and audience, which was fabulous! By far, the best speaker we've ever had! ”

### TOPIC #1

# Putting Humour to Work for Less Stress and More Success!

## Why This Topic?

Highly successful organizations understand that humour in the workplace both reflects a strong culture and creates a less stressful, more innovative work environment with higher levels of employee engagement, retention, and morale. As Michael will tell your audience, there is nothing trivial about this topic: humour helps people succeed at an individual, team, and organizational level. Humour is one of the most powerful stress-busters available, and it's a resource that can boost morale, improve workplace communication, spark creative thinking, enhance customer service, and increase productivity.

## Why Your Event?

Many of Michael's clients choose this topic because its universal messages and clean humour make it a great kickoff or closing experience. And because it's different than what many people have seen before, it's a great way to shake things up at your meeting, energize people, and create a truly memorable event!

## Presentation Goal:

To deliver as much relevant, practical content and inspiring ideas as possible, but in a fun (sometimes even hilariously outrageous) way so the ideas stick! The presentation includes door prizes (usually copies of one of Michael's books), as well as digital resources and e-books for you to use as you see fit.

“ Michael Kerr was amazing! Not only was he thoroughly entertaining but he also delivered a valuable, pertinent message at the same time. His delivery was great. I plan to apply recommendations Michael made and I confidently recommend Michael to anyone. ”

Kelly Coyne, Bell Systems

“ Michael, your presentation was beyond excellent! I cannot thank-you enough for all of your hard work prior to and at our conference last week. You have the unique ability as a speaker to both entertain and educate people. Our audience all felt you had a good understanding of our business challenges, and were darn funny at the same time. Your presentation was the perfect mix of a serious business based message, along with a very funny and engaging delivery. He is a very talented, entertaining and compelling speaker. I would strongly recommend Michael Kerr to any company as I would use his services again without question. ”

Every one of my client tells me they are grappling with unprecedented levels of change in their organization. To which I respond, "Welcome to the club!" Without question the pace of change is accelerating. Michael's e-books  
 are a great follow-up  
 resource

“ Your dynamic and interactive presentation was the highlight of our conference. To this day, years later, when our management teams gets together we will often refer to the topics that you enlightened and enriched our lives with! ”

Steve Enns, Vice President and General Manager,  
 TGS Harvard Management

“ Your presentation really hit the mark! After seeing the reaction, our president felt it was important for you to come to our head office and address all of our employees. ”

Kathy Hammond, Conference Planner,  
 The CUMIS Group Limited

## Additional Ways Michael Can Add Value

### At the Event

1. Save the cost of bringing in another speaker (and their travel expenses) while adding incredible value to your event by adding another presentation for just \$1,500 per presentation.
2. If you are serious about making a long term investment in your culture, then purchasing a copy of one of Michael's books is an ideal way to do that. A book greatly increases the likelihood that ideas are implemented and real change happens. Books make fabulous thank you gifts and event mementos. We've got great bulk discount rates reserved exclusively for clients that book Michael for a presentation.
3. For a licensing fee of only \$1,000 you can video tape the presentation so that employees who were unable to attend the event are able to see it and participants at the event can stay inspired.
4. Have Michael facilitate an interactive icebreaking or teambuilding session as a great way to energize the audience and get people interacting with each other in a fun, memorable way.
5. Have Michael do an additional presentation in your community to a volunteer organization or sponsor on the same day as your event for only an additional \$1,500.
6. Set aside a block of time where Michael can do one-on-one coaching with participants.
7. Have Michael sit on a panel discussion or moderate a panel discussion on a work-related theme.
8. Ask about a "pre-event" revenue-generating workshop before your event.
9. Have Michael sign copies of his books at your trade show as a draw to a sponsor's booth.
10. Have Michael judge a "Most Creative or Fun Business Card," "Most Creative and Effective Website," "Most Inspiring Workplace Culture" or " \_\_\_\_\_ " contest.

### After the Event

1. **30 days of inspiration:** A great way to make sure his inspiring messages stay alive is Michael's 30-Day *Inspiring Workplaces* program: a 2-minute video narrated by Michael and delivered to your team's in-box each day for 30 days following your event. It's a cost effective way to make sure the ideas stick! And **if you pre-register** we'll offer a great discount on the price as part of a bundled package with the presentation fee.
2. **Customized follow up video package.** Many of Michael's clients say how great it would be if they could take Michael to work every day! Well, we've got a cost-effective solution that's almost as good: Follow-up customized videos tailored to your team, department or entire organization, focusing in on those messages and topics you want reinforced. It's an ideal way to make sure the messages stick, and it's a great way of including employees who couldn't make it to the event. Two videos-a-month, monthly, and quarterly packages are available.
3. **Follow-up webinars.** Dive deeper into a specific topic with a follow up webinar or webinar series.
4. **One-on-one or team coaching** with Michael to go even deeper and help your team get the results you need and deserve.
